

CITY OF HAYWARD
AGENDA REPORT

AGENDA DATE 03/16/99

AGENDA ITEM 9

WORK SESSION ITEM

TO: Mayor and City Council
FROM: City Manager
SUBJECT: Local Government Summer Institute

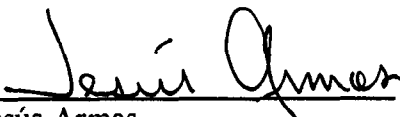

This item appears on the agenda at the request of Councilmember Joe Hilson.

The Citizenship and Law-Related Education Center (CLRE) is a non-profit organization based in Sacramento. The Center seeks to help young people gain a greater understanding of and participation in their local governments and communities. Working in concert with cities, counties and school districts, the Center has developed a variety of publications and training material to help achieve its stated goal.

Each year, the Center offers a week-long training session (Summer Institute) in which, according to CLRE, "teachers receive local government materials, lessons and teaching strategies along with assistance in developing local government workshops and showcases activities for their schools, districts and counties." This year, the Summer Institute is scheduled for August 2-6 in Sacramento. Registration for the Institute must be completed by May 3, 1999.

Councilmember Hilson would like the Council to consider having the City serve as a sponsor, thereby enabling one or more teachers to participate in the Institute. As a sponsor, the City would be obligated to contribute \$1,000 per participant. Assuming the City sponsors one teacher from each of the four public high schools, this would entail a total contribution of \$4,000. There are sufficient funds in the non-departmental budget to support this expense.

The attached resolution, which has been drafted with the foregoing level of participation in mind, is presented for your consideration
